Big Dog Concrete Pumping offers concrete pumping services in Kelowna, BC and neighbouring areas.

Concrete Line Pump Rates

- **\$180.00 per hour.** 3-hour minimum charge

Price includes:

- Schwing Concrete Line Pump
 - Concrete Pump Operator
 - A labourer
- **\$4.00 per meter of Concrete Pumped**
 - **\$25.00 Pump Priming**

The pump requires priming to allow the concrete to flow through the pump easier and sooner

The hourly rate comprises:

- Travel from our yard to your site
- Set-up
- Concrete Pumping (excludes the per meter charge)
- Concrete Pump Wash-out

*A wash-out of excess concrete is typically completed on-site.
An off-site clean-up is available for an extra fee. Please inquire.*

Need more time to complete concrete pumping?

Big Dog Concrete Pumping can provide extra labour or work overtime to help complete the concrete pumping project.

Our rate for overtime or extra labour is \$50 per hour.

Saturday and/or Sunday Concrete Pour Projects

Big Dog Concrete Pumping is available on Saturday or Sunday for concrete pumping projects.

- **\$230.00 per hour.** 3-hour minimum charge

Price includes:

- Schwing Concrete Line Pump
 - Concrete Pump Operator
 - A labourer
- **\$4.00 per meter of Concrete Pumped**
 - **\$25.00 Pump Priming**

The pump requires priming to allow the concrete to flow through the pump easier and sooner
